

Health & Safety Policy

The Management of Almec Manufacturing considers nothing more important than the promotion of Health and Safety

It is our policy therefore to promote and maintain a safe working environment to ensure the health and safety of our employees

The objective will only be achieved by consistent high standards of training and information sharing. Employees are familiarized with the procedures and regulations of the OHS Act, 85 of 1993

Almec Manufacturing has committed itself to provide the necessary leadership and support to develop and maintain the Safety Management Program which implements the following objectives:

- *Prompt accident and incident notification, investigation and reporting by employees at all levels*
- *The reduction of injuries and the elimination of hazards that may threaten the well being of our people*
- *Ensuring a healthy and productive working environment*
The prevention, reduction, elimination and control of incidents
